

Material Safety Data Sheet – ACTÍVSTART SZÁNTÓFÖLDI + RÉZ + MANGÁN

1- IDENTIFICATION OF SUBSTANCES

Product name	ACTÍVSTART SZÁNTÓFÖLDI + RÉZ + MANGÁN
Packaging	Upon request
Description	Organic plant conditioner

2- COMPOSITION / INFORMATION ABOUT COMPONENTS

Category	Organic plant conditioner
Ingredients	Water, aromatic plant extracts, alcohol, copper, manganese

3- IDENTIFICATION OF DANGERS

Dangers associated with the use of the product in the context of the recommendations made in this safety sheet:

Inhalating	None
Oral ingestion	None
Skin irritation	None
Eye irritation	Irritating

In any case, respect the rules of good industrial hygiene practices.

4- FIRST AID

After inhalating	None
After oral ingestion	None
Skin irritation	None
Eye irritation	Wash out abundantly with clear water or saline solution

5- FIRE-FIGHTING MEASURES

Special risk	None
---------------------	------

6- ACCIDENTAL RELEASE MEASURES

Personal precautions	Usually recommended conditions.
Cleaning	Wash abundantly with clear water.

7- HANDLING AND STORAGE

Handling	Usually recommended conditions.
Storage	Store in a cool and dry place, away from the light and in its original packaging, at normal temperature conditions and away from any electric or electromagnetic sources
Best before date	The product retains its initial properties up to 36 months after being manufactured if stored in its original packaging.

8- EXPOSURE CONTROL / PERSONAL PROTECTION

Ventilation	Usually recommended ventilation.
Eye protection	Usually recommended conditions.

9- PHYSICAL AND CHEMICAL CHARACTERISTICS**Organoleptic characteristics**

Aspect	Liquid
Colour	Characteristic
Smell	Characteristic

Chemical and physical characteristics

Flash point	none
pH	
Flammability	none
Auto-flammability	none
Explosion Hazard	none
Carburizing properties	none
Steam pressure	none
Solubility	yes
Viscosity	yes

10- STABILITY AND REACTIVITY

The product does not constitute a hazard from contact with other substances. It is stable and does not violently react with water.

No polymerisation is possible.

11- TOXICOLOGICAL INFORMATION

The preparation does not contain any substances classified as dangerous (Bibliographical reference: *International Pharmacopoeia*).

12- GMO STATUS

BIODEVAS products do not contain any GMO and cannot be accidentally contaminated with GMO.

13- ECOLOGICAL INFORMATION

99% Biodegradable

14- WASTE DISPOSAL INFORMATION

There are no relevant provisions of Community law related to the disposal of the component wastes of the product **ACTIVSTART SZÁNTÓFÖLDI + RÉZ + MANGÁN**.

15- TRANSPORT INFORMATION

Transport is NOT regulated.

16- REGULATORY INFORMATION

Organic plant conditioner.

17- OTHER INFORMATION

The information contained herein, given in good faith, is based on our present state of knowledge and cannot be considered as a full guarantee for any use or misuse of the product, nor does it release the user from his responsibility to check its application before use.

The information does not constitute an assurance of product properties.
